FEATURED MANUFACTURER...

Introducing Wells Radford

We are pleased to announce the addition of **Wells Radford** to our family of quality sources for custom precision components. **Wells Radford**, based in Glide OR, is a manufacturer of a broad range of threaded and unthreaded custom products including high strength bolts, fasteners, set screws, connectors, couplings, nuts, fittings, pins, spacers, studs and thread-lock fasteners. These are used in aerospace, computer, defense, electronics, medical devices, sporting goods, recreational vehicles, and other industries.

www.wellsradford.com

Equipment includes: Automatic Screw Machines, CNC Swiss Screw Machines and CNC Turning Machines.

CONTACT Wells Radford if you require...

- Exceptional Quality
- Parts from 3/32" to 1-5/8" Diameter
- Tolerances to ± 0.0005 "
- Surface Finishes to 32 RMS
- Manufacturer of Complex or Difficult Components
- Production Runs from 1000 to Millions
- On-Time Delivery

Thank you for reading our newsletter. We hope this and future editions are interesting and include useful information to help you with component outsourcing.

And if you are drawing a blank on who we are and what we do, HIP Marketing is a local sales/technical representative for a select group of global manufacturers. Our specialties are custom engineered metal, plastic and electro-mechanical components. See www.hip-marketing.com for a complete list of manufacturing technologies.

Sincerely,
Larry Wiemann
President
HIP Marketing
